- **Extended Wolf's emergency powers that kept PA locked down.**  
*Thousands of family-owned restaurants, gyms, salons, and shops closed permanently, while corporate businesses thrived.*
- **Refused immediate intervention for school closures and mask mandates.**  
*Children fell behind academically and developmentally, families struggled to balance work with remote learning, churches, weddings and community gatherings were mercilessly impacted.*
- **Upheld unconstitutional Act 77 leaving our elections vulnerable.**  
*Election laws were changed without lawful legislative approval, allowing non-transparent, insecure methods for voting, and leaving concerned citizens with no recourse.*
- **Chose a district map favoring Democrats as Congressional plan.**  
*District maps drawn by the state legislature were denied, effectively giving an unfair advantage to the left.*

**Did they consider you or did they rubber stamp a partisan political agenda?**
